

CONNECTICUT DEPARTMENT OF CONSUMER PROTECTION

TO: Licensed Hybrid Retailers

FROM: Department of Consumer Protection, Drug Control Division

DATE: November 22, 2024

RE: Considerations for Medical Patients Ahead of Thanksgiving Day

The Department would like to remind hybrid retailers to prioritize sales for medical marijuana patients ahead of Thanksgiving Day.

Traditionally, the Wednesday before Thanksgiving has resulted in increased cannabis sales. Please be sure to consider patients and prioritize providing patients with their medication.

Wishing you all a happy and healthy Thanksgiving Day. For more information, please visit <http://ct.gov/cannabis>.
