- a. Payment shall be made only after the Agency receives and accepts the Goods or Services and after it receives a properly completed invoice. Unless otherwise specified in this Contract, payment for all accepted Goods or Services shall be due within forty-five (45) days after Acceptance of the Goods or Services, or twenty-five (25) days if the Contractor is a certified small contractor or minority business enterprise as defined in Conn. Gen. Stat. § 4a-60g. The Contractor shall submit an invoice to the Agency for the Performance. The invoice shall include detailed information for Goods or Services, delivered and Performed, as applicable, and accepted. Any late payment charges shall be calculated in accordance with the Connecticut General Statutes.
- b. The State shall make all payments to the Contractor through electronic funds transfer via the Automated Clearing House ("ACH") or through the State of Connecticut Purchasing Card Program ("P-Card Program or P-Card") in accordance with sections 4-98(c) and 42-133ff(a) of the Connecticut General Statutes. - d. Questions regarding the state of Connecticut P-Card Program may be directed to the Procurement Card Program Administrator [at DAS.PCardAdmin@ct.gov](mailto:DAS.PCardAdmin@ct.gov).

3. Purchase Orders

- a. This Contract itself is not an authorization for the Contractor to begin Performance in any way. The Contractor may begin Performance only after it has received a duly issued Purchase Order against this Contract for Performance.
- b. The Agency shall issue a Purchase Order against this Contract directly to the Contractor and to no other party.
- c. All Purchase Orders shall be in written or electronic form, bear the Contract number (if any) and comply with all other State and Agency requirements, particularly the Agency's requirements concerning procurement. Purchase Orders issued in compliance with such requirements shall be deemed to be duly issued.
- d. A Contractor Performing without a duly issued Purchase Order in accordance with this Section does so at the Contractor's own risk.
- e. The Agency may, in its sole discretion, deliver to the Contractor any or all duly issued Purchase Orders via electronic

means only, such that the Agency shall not have any additional obligation to deliver to the Contractor a "hard copy" of the Purchase Order or a copy bearing any hand-written signature or other "original" marking.

4. Breach

- a. If one party (the "Non-breaching Party") determines that the other (the "Breaching Party") has failed to comply with any of the Breaching Party's corresponding Contract obligations (a "Breach"), then the Non-breaching Party shall provide written notice of such failure to the Breaching Party in accordance with this Contract. The Non-breaching Party must provide the Breaching Party an opportunity to remedy the Breach within thirty (30) calendar days from the date of the notice. However, if Contractor is the Breaching Party, then the Agency may set forth any remedy period in the notice, so long as that period is otherwise consistent with the provisions of this Contract. The period set forth in the notice is known as the "Remedy Period." The Non-breaching Party shall extend the Remedy Period if it is satisfied that the Breaching Party is making a good faith effort to remedy the Breach, but the nature of the Breach is such that it cannot be remedied within the Remedy Period.
- b. If the Agency determines that the Contractor has committed a Breach, then the Agency may require the Contractor to, and Contractor shall, prepare and submit to the Agency a CAP in connection with the identified Breach. Contractor shall provide in the CAP a detailed explanation of the deficiencies and other factors that contributed to the cited Breach, Contractor's assessment or diagnosis of Breach (identifying the deficiencies and factors in reasonable detail, with references to the applicable Specifications), and a specific proposal to remedy or resolve the Breach. Contractor shall submit the CAP to the Agency within (10) Business Days following the Agency's request for the CAP for the Agency's review and approval. Within 10 Business Days of receiving the CAP, the Agency must either approve the CAP, or reject it by delivering to Contractor a written explanation for the rejection. If the Agency fails to accept or reject the CAP within the 10 Business Days, then the CAP is deemed to have been approved, without more. The Agency's explanation for the rejection must include suggestions for changes to the CAP and the Contractor shall address the suggestions in such a manner to make it likely that the Agency will approve the CAP when the Contractor re-submits it to the Agency for review and approval. If the Agency rejects a CAP, then the parties will repeat this submittal and review process until the earliest of one of the following: (1) the Agency accepts a CAP, (2) the Agency waives its right to receive a CAP, (3) Contractor remedies the Breach, (4) the Agency waives the Breach, or (5) the Agency makes a determination to Terminate this Contract. After the first rejection, each of the parties will have 5 Business Days, instead of 10 Business Days, within which to review the CAP. Each subsequent revision and review will be for up to 3 Business Days each instead of 10 or 5 Business Days.
- c. If the Agency determines that the Contractor has Breached this Contract, then the Agency may withhold payment in whole or in part for any amounts due pending resolution of the Performance issue, provided that the Agency notifies Contractor in writing prior to the date that the payment would have been due.
- d. For purposes of the Agency determining whether there is a Breach under this Contract, or whether any statement in the Representations and Warranties Section of this Contract is false or misleading, the parties deem the acts of the Contractor Parties to be the acts of the Contractor itself, as if the Contractor itself was the subject of the acts which the Agency considers in determining if there was a Breach, or an instance of false or misleading statements, or both.
- e. The written notice of the Breach may include an effective Termination date. If the identified Breach is not remedied by the stated Termination date, unless otherwise modified by the Non-breaching Party in writing before such date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Termination date, then the Non-breaching Party shall provide the Breaching Party no less than twenty-four (24) hours' prior written notice before terminating this Contract.
- f. Notwithstanding any provisions in this Contract, the Agency may terminate this Contract with no Remedy Period for Contractor's Breach or violation of any of the representations or warranties in this Contract and revoke any consent to assignments given as if the assignments had never been requested or consented to, without liability to Contractor or Contractor Parties or any third party. Termination under this Breach section is subject to the provisions of the Termination Section of this Contract. In case of such revocation or Termination, the Agency will have no liability or responsibility to Contractor or Contractor Parties or any third party, or any of them, resulting from the Termination or revocation.
- g. None of the State's rights under this Breach Section diminishes the State's rights under the Termination Section of this Contract.

Notwithstanding any provisions in this Contract, the Agency, through a duly authorized employee, may Terminate this Contract whenever the Agency makes a written determination that such Termination is in the best interests of the State. The Records are deemed to be the property of the State and the Contractor shall deliver them to the Agency (as directed in the notice) no later than thirty (30) days after the Termination of this Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
- d. Except for any work which the Agency directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
- e. The Agency shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Agency in accordance with a SOW, as applicable, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Agency will not tender to the Contractor any payments for anticipated or lost profits. Upon request by the Agency, the Contractor shall assign to the Agency, or any replacement contractor which the Agency designates, all subcontracts, Purchase Orders and other commitments, deliver to the Agency all Records and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as the Agency (as directed in the notice) may request.
- f. Upon Termination of this Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the Sections which survive Termination. All representations, warranties, agreements and rights of the parties under this Contract shall survive such Termination to the extent not otherwise limited in this Contract and without each one of them having to be specifically mentioned in this Contract.
- g. Termination of this Contract pursuant to this Section shall not be deemed to be a Breach of contract by the Agency.

6. Sovereign Immunity

The parties acknowledge and agree that nothing in this Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of this Contract. To the extent that this Section conflicts with any other Section, this Section shall govern.

7. Waiver

- a. No waiver of any Breach of this Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in this Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in this Contract or at law or in equity.
- b. A party's failure to insist on strict performance of any provision of this Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of Performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach

Consequently, the Contractor shall indemnify and hold harmless the Agency and the State, as appropriate, for any and all damages, costs and expenses associated directly or indirectly with such failure.
