WHY CHOOSE A CAREER IN DIRECT SUPPORT?

- **Make a Difference** Help individuals with developmental disability live their best lives.
- **Flexible Schedules** Choose full-time, part-time, or flexible shifts to fit your lifestyle.
- **On-the-Job Training** Gain hands-on experience with ongoing skill development.
- **A Strong Support Network** Work alongside a dedicated team that values your growth and success.
- **Career Growth** Develop valuable skills in direct support, with opportunities to advance in human services and healthcare.

WHAT YOU'LL DO AS DSP

- **Support Daily Living** Assist with personal care, meal preparation, and household tasks.
- **Encourage Growth** Help individuals develop life skills and engage in their communities.
- **Be a Trusted Advocate** Ensure individuals have a voice in their choices and well-being.
- **Create Meaningful Connections** Build relationships that make a lasting impact.
- **Education** Typically, a high school diploma or equivalent is required.
- **Training** Specific training related to supporting individuals with intellectual and developmental disabilities is often provided on the job.
- **Certification** No formal certification is usually required, but ongoing training and professional development are common.
