III. RETIREMENT INFORMATION

A. New Employees Only (No Prior State Employment):

State Statutes require that each State of Connecticut employee be covered by a retirement plan. This is a mandatory condition of employment. **Serious consideration must be given to the election of a retirement plan, as it is an irrevocable decision.**

New state employees automatically become members of the State Employee Retirement System (SERS) Tier IV retirement plan. However any teacher in state service, who is required as a condition of their employment to hold an appropriate certificate of qualification issued by the State Board of Education, may elect membership in the Teachers' Retirement System (TRS) in lieu of SERS Tier IV.

State Employees Retirement System (SERS) Tier IV

This is a governmental defined benefit plan intended to be qualified under section 401(a) of the Internal Revenue Code. The employee contribution is 5% of your salary to the state's defined benefit plan and an additional 1% of your salary to a defined contribution plan. The state will match the 1% contribution to the defined contribution plan. Contributions are made on a pre-tax basis. See the SERS Tier IV Summary Plan Description available on the Office of the State Comptroller's website <http://www.osc.ct.gov> for more details.

Teachers' Retirement System (TRS)

Effective January 1, 2018 the employee contribution is 8.25% of your annual salary. Contributions are made on a pre-tax basis. 7% is posted into your membership account and 1.25% is posted to the Health Insurance Fund which helps reduce the cost of health insurance for eligible retired members and spouses. See the TRS plan summary available on the Teachers' Retirement Board's website at <http://www.ct.gov/trb/site/default.asp>.

B. Employees with Prior State Service (Rehires):

Employees with prior state service must rejoin the retirement plan in which they previously participated unless the employee is hired in a position ineligible for participation in their prior retirement plan.

Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

2024**Step 1:**
Enter
Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) ☐ Single or Married filing separately ☐ Married filing jointly or Qualifying surviving spouse ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 **ONLY** if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only **ONE** of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ _____ Multiply the number of other dependents by \$500 \$ _____ Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$			
	Step 4 (optional): Other Adjustments			(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here			4(b)	\$	
	(c) Extra withholding. Enter any additional tax you want withheld each pay period . .	4(c)	\$			

Step 5:

Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____

Form CT-W4 Instructions

Employee General Instructions

Form CT-W4, *Employee's Withholding Certificate*, provides your employer with the necessary information to withhold the correct amount of Connecticut income tax from your wages to ensure that you will not be underwithheld or overwithheld.

You are required to pay Connecticut income tax as income is earned or received during the year. You should complete a new Form CT-W4 at least once a year or if your tax situation changes.

If your circumstances change, such as you receive a bonus or your filing status changes, you must furnish your employer with a new Form CT-W4 within ten days of the change.

Gross Income

For Form CT-W4 purposes, **gross income** means all income from all sources, whether received in the form of money, goods, property, or services, not exempt from federal income tax, and includes any additions to income from *Schedule 1 of Form CT-1040, Connecticut Resident Income Tax Return*, or **Form CT-1040NR/PY, Connecticut Nonresident and Part-Year Resident Income Tax Return**.

Filing Status

Generally, the filing status you expect to report on your Connecticut income tax return is the same as the filing status you expect to report on your federal income tax return. However, special rules apply to married individuals who file a joint federal return but have a different residency status. Nonresidents and part-year residents should see the instructions to Form CT-1040NR/PY.

Check Your Withholding

You may be underwithheld if any of the following apply:

- You have more than one job;
- You qualify under *Certain Married Individuals*; or
- You have substantial nonwage income.

If you are underwithheld, you should consider adjusting your withholding or making estimated payments using **Form CT-1040ES, Estimated Connecticut Income Tax Payment Coupon for Individuals**. You may also select *Withholding Code "D"* to elect the highest level of withholding.

If you owe \$1,000 or more, after subtracting from your Connecticut income tax the amount withheld from your income for the prior taxable year, and any PE Tax Credit, you may be subject to interest on the underpayment at the rate of 1% per month or fraction of a month.

Certain Married Individuals

If you are a married individual filing jointly and you and your spouse both select *Withholding Code "A,"* you may have too much or too little Connecticut income tax withheld from your pay. This is because the phase-out of the personal exemption and credit is based on your combined incomes. The withholding tables cannot reflect your exact withholding requirement without considering the income of your spouse.

To minimize this problem and determine if you need to adjust your withholding using Line 2 or Line 3, see *Supplemental Tables in Informational Publication 2024(7), Is My Connecticut Withholding Correct?*

Nonresident Employees Working Partly Within and Partly Outside of Connecticut

If you work partly within and partly outside of Connecticut for the same employer, you should also complete **Form CT-W4NA, Employee's Withholding or Exemption Certificate - Nonresident Apportionment**, and provide it to your employer. The information on

Form CT-W4NA and Form CT-W4 will help your employer determine how much to withhold from your wages for services performed within Connecticut. Residents of states with a "convenience of the employer" test will be subject to similar rules for work performed for a Connecticut employer. Any nonresident who expects to have no Connecticut income tax liability should choose *Withholding Code "E."*

Armed Forces Personnel and Veterans

If you are a Connecticut resident, your armed forces pay is subject to Connecticut income tax withholding unless you qualify as a nonresident for Connecticut income tax purposes. If you qualify as a nonresident, you may request that no Connecticut income tax be withheld from your armed forces pay by entering *Withholding Code "E"* on Line 1.

Military Spouses Residency Relief Act (MSRRA)

If you are claiming an exemption from Connecticut income tax under the MSRRA, you must provide your employer with a copy of your military spouse's Leave and Earnings Statement (LES) and a copy of your military dependent ID card.

See **Informational Publication 2019(5), Connecticut Income Tax Information for Armed Forces Personnel and Veterans**.

Employer Instructions

For any employee who does not complete Form CT-W4, you are required to withhold at the highest marginal rate of 6.99% without allowance for exemption. You are required to keep Form CT-W4 in your files for each employee.

Report Certain Employees Claiming Exemption From Withholding to DRS

Employers are required to file copies of Form CT-W4 with DRS for certain employees claiming "E" (no withholding is necessary). Mail copies of Forms CT-W4 to:

Department of Revenue Services
PO Box 2931
Hartford CT 06104-2931

Report New and Rehired Employees to the Department of Labor

New employees are workers not previously employed by your business, or workers rehired after having been separated from your business for more than sixty consecutive days.

Employers with offices in Connecticut or transacting business in Connecticut are required to report new hires to the Department of Labor (DOL) within 20 days of the date of hire.

New hires can be reported by:
