Please review and indicate your approval or denial by signing and checking the applicable box below. Please return this form to me at your earliest convenience. If denied, please indicate the reason(s). Note: The contractor has the right to submit a request for reconsideration (DBE Program only), which is a separate review and approval process.

Comments:

A Reconsideration Committee found that even though the Contractor did not meet the goal due to CSL not being certified in CT prior to the submission of the PAC proposal, they did document a Pre-Award GF. This is not an approval or reduction of the DBE goal therefore the pre-award credit is \$449,840.00. The DBE goal remains 8%. The PAC credit does not satisfy the DBE Goal. The Contractor is required to perform and document Post-Award good faith efforts to meet or exceed the DBE goal. See the DBE Specification and Contact the Division of Construction Operations for any questions.
